

A Parents' Summer Survival Guide!

Offering everything a parent needs to plan summer camp and summer enrichment opportunities for their kids. This extensive directory runs March through August, and again in December, and includes **Spring Break, Summer Camp,** and **Winter Break** options. All ads include a free listing in **Camps-At-A-Glance**, giving readers important details about your camp. Advertising hint: Families make camp decisions very early in the year, so don't wait until your camp starts – that just might be too late!
